
MARK RONNEI GENERAL MANAGER
Biography

Mark Ronnei serves as General Manager for Grand View Lodge, a world renowned family, golf and spa resort in Nisswa, Minn. As general manager, Mark is responsible for overseeing on-site operations, finance, food and beverage, golf, spa and other property operations. Prior to his current position, Mark served as Director of Sales, Development Director, and Resort Operations Manager, all with Grand View Lodge. With over 30 years of experience in resort management, Mark has remained dedicated to guest satisfaction and continuous resort improvement.

Mark is active in the Brainerd Lakes Area community, professionally as a representative of the resort community and personally as a Nisswa resident. As an advocate for the preservation of Minnesota's resorts, Mark has been actively involved in city and county steering committees, specifically those relative to the resort industry and land development. Also a strong believer in encouraging children to read, Mark founded the Nisswa Enhanced Reading Foundation (NERF). NERF provides funds for books in every classroom at Nisswa Elementary, which has opened a whole new world of reading resources for children at the school and throughout the community.

Mark attended both Southwest State University and Cornell University.
